# Penny Challenge

During the month of January the students will be encouraged to bring in pennies to fill up their classroom jar. All classes will have jars outside the office.

Here's the trick.....

If your child sees that another classroom jar is getting too full then they can put a silver coin in that class' jar to take away that many pennies (example- a quarter will take away 25 of that classrooms pennies).

The classroom with the most pennies at the end of the month will get the prize of each student throwing a pie in the face of a teacher of their choosing.

**Most Importantly**, all money collected during this service project will be donated to the local family of Sgt. Jason McClary. Sgt. McClary was killed in action in early December and left behind a wife and 2 young sons.
