SchoolStore.com

Dear Parents,

Our school will be participating in the SchoolStore program this year. This online program helps our school earn cash without students selling door-to-door, collecting money or delivering products. Over 400 merchants, including Sears, Target and WalMart.com, have joined together to offer up to 50% of sales to our school for shopping through SchoolStore.com.

To shop and support our school, simply go to www.schoolstore.com and select our school.

Participation is key in helping get the word out about our School Store. Soon your child will come home with a parent packet requesting you to help them enter email addresses to friends and family. When you enter just 3 email addresses you'll receive a prize code your child can return the next day for a prize. Thank you for your families support of our school
