SCHOOL DELAY/CANCELATION

The Cardinal Maida Academy follows the Kiski Area School District for closings and delays. If Kiski has a delay, we have a delay. If Kiski is cancelled, we are cancelled. If there is a school delay, AM Pre Kindergarten and Pre School will be cancelled. All-day Pre-K will still be held; students will come in after the delay.

If Kiski Area has school and your district is delayed, follow the bus schedule for your district. If your district is closed, your child will not be marked absent but has the option to attend if you can secure transportation. If your district is delayed and Kiski Area is not, your child will not be marked tardy, but is expected to attend per delayed bus schedule.

A one-call is sent only when CMA is closed or delayed, therefore if your home district is delayed or closed but Kiski Area is not there will be no one-call sent!
