Cardinal Maida Academy Fundraising Fee Policy

Each family (Kindergarten to 6th grade) is assessed a \$400 Fundraising Fee.

This fee is to be paid with tuition.

Families have the option to receive a portion of the fee or all of the fee back depending on the amount of fundraising done, any balances owed to the school will be taken from the fee before it is returned.

Amounts raised over the \$400 will be credited to the following year's tuition. If your child is not returning the following year there will be no refunds over the \$400 fee paid.

Pre-School and Pre-Kindergarten families are not assessed the fee and therefore will receive no refunds for fundraising. Pre-School and Pre-Kindergarten families have the option to fundraise and have their credit applied to their Kindergarten tuition.

I _____ have received Cardinal Maida Academy's Fundraising Fee Policy and understand the terms.
